Author of *To Wrestle With Darkness & Sacrifices*

HERETICS is the third book in the *To Wrestle with Darkness* canon. In this book, a handful of gifted heroines and heroes must stop the time god, Kronos, from destroying all that is to remake the universe in his own image. Can Kronos and his band of seemingly all-powerful rogue godlings be stopped? And, to whom can a world falling into darkness turn? Discovering that answer is an epic tale which will remain with you all the days your life.

Alan, a former columnist of the Atlanta Tribune, has an MBA from Georgia State University's Robinson School of Business. Currently, he works as an Oracle Business Software consultant.
